### **DEAR ALL EXPEDITION RIDERS**

Welcome to the BMW Motorrad Ride Expedition: Into The Doi an extraordinary journey designed exclusively for BMW Motorrad riders. This year, we invite you to explore the majestic mountains of Northern Thailand, where every twist and turn brings new discoveries, breathtaking landscapes, and the spirit of adventure that defines the BMW Motorrad community.

Over three unforgettable days, you will ride through scenic routes from Chiang Mai to Pai and Chiang Dao paths you may have never experienced before. Along the way, expect curated accommodations, full support from our dedicated team, and opportunities to share the road with fellow riders from Thailand, Malaysia, Singapore, and beyond. This journey is not just about the destination, but about the freedom, camaraderie, and memorable moments created together.

We sincerely thank you for being part of this year's expedition. Your passion for riding is what brings this event to life, and it is our honor to accompany you on this adventure.
